Fritkin Exhibits is a Full-Service Exhibit House specializing in the design, engineering, construction, installation, and dismantling of Custom Trade Show Exhibits. We produce graphics and signage, plus offer complete show services, logistics, and in-house storage! We also build Marketing Centers, Mobile Displays, Showrooms, and Museums.

*If you exhibit in trade shows,
we'll make your experience easier.*

at Fritkin Exhibits, your Trade Show Success is our Priority

Want your next Exhibit to set
you apart from your competition?

...let us help you reach your goals.

We'll make a **FRITKIN** design for you
that is *the buzz of the show!*

Custom Exhibits

We believe that your Trade Show Exhibit, Displays and Signage must be strong marketing vehicles. It is our job to ensure that your **FRICTIN** Exhibit will command attention and draw your audience in.

We work hard to understand exactly what you want. We work twice as hard to make sure nothing is lost in the translation.

Our design team will transform your image goals into **FRICTIN** designs that come to life in your trade show booth.

Our experienced team of professional designers, graphics technicians and architects work together with our craftsmen to ensure that all components are engineered within strict tolerances whether in-house or on-location.

Your exhibit will be doing its **FRICTIN** job; commanding attention, attracting people, and conveying your image.

We engineer every **FRICTIN** Exhibit to accommodate heavy booth traffic while allowing your staff to operate efficiently, gather leads, and close deals.

Your Trade Show success is **our priority**.

Custom Rentals

We help you make informed decisions about **buying vs. renting** your Exhibit.

We consult with you to understand your goals and help you meet your budget.

Whether renting or leasing a small display or customizing a 20,000 sq. ft. "double-decker", we tailor every rental program specifically to meet your needs.

We have a massive inventory of Rental Exhibit Properties that you can choose from in our Chicago warehouse.

We'll rent one of these Exhibit Properties to you for a **fraction** of the price of new construction and customize it so well you will think it is your own Custom Exhibit.

We like to surprise our clients with lower prices than expected. We will help you get the most from your budget.

And we'll give your Exhibit a **FRICTIN** design that is the buzz of the show!

If you want your booth to get attention and stand out from all the rest, you owe it to yourself to get the **FRICTIN** results you want.

About Us

Our mission is to provide creative, innovative and integrated products and services that help our clients and partners achieve maximum return on their investments while setting the benchmark for excellence in the Trade Show Industry.

Ronald Fritkin co-founded the **Fritkin-Jones Design Group** in 1973 and built an empire that led the trade show industry into the technological era.

Leading the industry for decades, the **Fritkin-Jones Design Group** received more Awards and Accolades than we can mention.

The **FRICTIN** family portfolio speaks for itself and is a tribute to the vision and creativity **Ronald Fritkin** instilled into our design team.

Today, **Michael Fritkin** honors his father by leading **Fritkin Exhibits** with the same passion for excellence. The **FRICTIN** name is well known in the Industry and is synonymous with **Creativity, Quality, and Integrity**.

We are a **FRICTIN** family-owned, family-run business. Our entire team will work on your exhibit as if it were our own.

Driven by a team of professionals with decades of experience, our exhibits are built right the first time, on time, within specifications, within budget, and in a safe and cooperative work environment.
